

Blended Intensive Programme on Food Sustainability- Selection Committee meeting

The Selection Committee members were officially appointed by the council of Food and Drug Department (delibera 7-24-9.2):

- Prof. Tullia Tedeschi (President)
- Prof. Benedetta Bottari (member)
- Prof. Ana Isabel Andrés Nieto (member)
- Prof. Gaele PANTIN-SOHIER (member)
- Prof Malgorzata Korzeniowska (member)

The Selection Committee meetings takes place in virtual mode using Teams platform on Wednesday the 8th at 9 a.m. Documentation of student candidates to the BIP Programme was shared in advance;

A total of 84 candidates applied to the BIP, distributed as follows:

- 21 candidates from University of Angers
- 14 candidates from University of Extremadura
- 46 candidates from University of Parma
- 1 candidate from Evora University.
- 4 candidates from ATU University

In consideration of the relevant quality of the Blended Intensive Program, and given the opportunity, also in terms of sustainability and feasibility, all of the Committee members agree on the following student selection criteria:

- Coherence of student's degree with BIP content
- Motivation
- Academic performance
- Language competence

The Committee agrees to the drafting of a ranking proposal of all candidates from all the Universities and share it with Selection Committee members for their approval.

It is agreed to start notifying selected students of their position to allow timely organization of the physical portion of the program. All agree.

Following to the analysis of the candidates profiles the following admission rankings are drawn:
